Re: *Newman v. Audience View Ticketing Corp.*, 23-cv-3764
Toledo v. Audience View Ticketing Corp., 23-cv-5626

Dear Judge Caproni:

I am counsel for plaintiffs in the *Toledo* action and am writing to inform you that neither counsel in the *Toledo* action nor counsel in the *Newman* action objects to the consolidation of the two actions. Counsel in both actions are working cooperatively and anticipate submitting a stipulation for a lead counsel structure next week.

Respectfully,
